

3 IN 1 SOIL CONDITIONERS

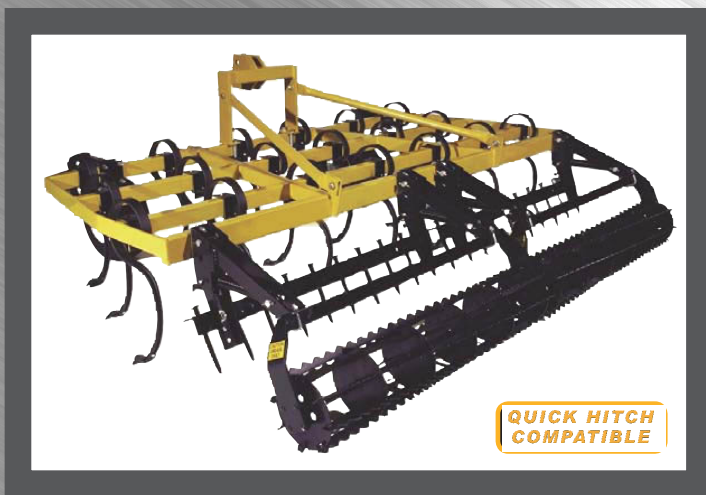

3 IN 1 SOIL CONDITIONERS are ideal for nurseries, berry growers, orchards, vineyards & general cultivation work. This unique tool combines heavy-duty high clearance S-Tines to break the soil. A spring-loaded spike tooth bar follows the S-tines to level and breakup clods. The aggressive spring loaded rolling crumbler completes the work by mulching and leveling the soil. The cultivator main frame and the rolling crumbler support frame are both tapered to permit traveling through vegetation without damage.

Innovative, Rugged & Labor Saving Attachments

3 IN 1 SOIL CONDITIONERS

SC SERIES

FEATURES:

- 3 soil conditioning tools in 1 machine
