

Grader

Ref. 09.NB.2300/2500/2700

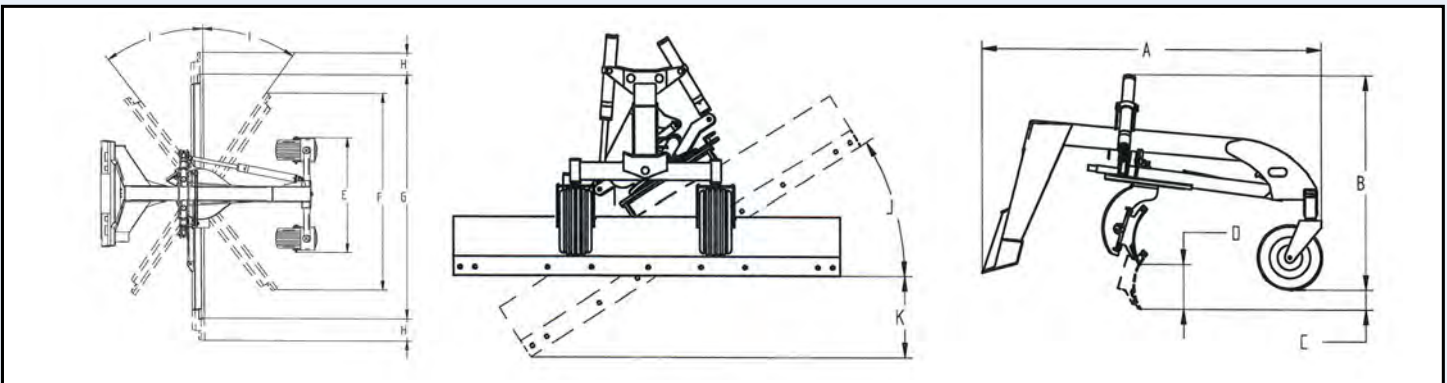

Grader

Ref. 09.NB .2300/2500/2700

- Hydraulic grader attachable to mini-loaders or skid steer loaders. Ideal for spreading material for jobsite ground leveling and preparation. Suitable for the construction of warehouses, sporting fields, landscaping, etc.
- Electrohydraulic controls for smooth and precise operation.
- Hydraulic blade side shift (Standard)
- Excellent visibility. With the most innovative features on the market.
- Laser leveling control (Optional)
- Highest quality steel, with specially hardened (450 Brinell) bolt-on cutting edge.
- Each unit individually tested on electrohydraulic test stand.
