

Lawn Sweeper

Sweep up debris from your lawn with the new Lawn Sweeper from MK Martin. With a 21 cu.ft. hopper capacity, durable mesh netting, and a 46" wide broom, it takes fewer trips to get the job done. The poly bristle broom is gentle on your lawn and tough on debris. The handle on the side of the hopper and pivoting net frame allows for quick and easy dumping letting you finish the job even faster.

Features

- Remote Height Adjustment for Broom
- Leaf Bucket with Pivot for Easy Emptying
- Replaceable Durable Mesh Netting
- Flat Free Tires
